

Dear Parents,

This week, we will be starting a unit on Friends and School. The children will make many new friends at school, with whom they will be learning to share, cooperate, work and play.

Through this unit, the children will become more aware of what a friend is, and the activities friends can do together. We will also be going over the rules of the classroom and discussing some of the fun activities we will be having during the school year.

The children will also be introduced to the daily Calendar Activity which will give each child the opportunity to be a helper as we go over Days of the week, Months of the year, Weather, counting and more.

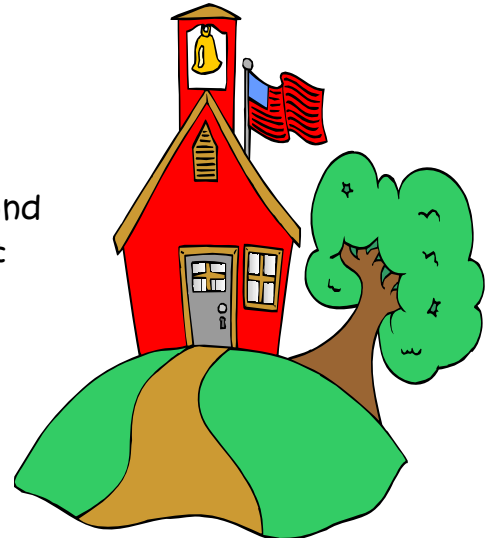

During Jesus Time we will be discussing how God created the world and everything in it for His children to enjoy. Your child will be making a special "God's creation paper plate book", to share at home with your family. They will be learning special prayers to recite at the dinner table and fun new songs to sing.

Letter of the week: Aa
Color of the week: Red
Numbers: 1-5
Shape: Circle

Please remember SHOW-N-TELL are on Thursdays and Fridays, and they must relate to the Weekly Theme, Bible story, Color, number, Shape or start with the letter of the week.

If you have any questions or concerns and wish to speak privately, please call me at 645-1626 ext.305.

God Bless,
Mrs. Lamb
